SPACE!

Space Camp: The Final Frontier!
Back by popular demand – one of our signature camps!

See the night sky in the middle of summer as we use the classroom to create the universe! We will build our own 'flying machines' and robots, visit Chabot Observatory.

Using NASA as our base, we will receive daily lessons from NASA's Digital Learning Network and the NASA Kid's Club.

A Speaker from the NASA/AMES Research Center will visit to share information about NASA's current space programs.

August 2nd - August 13th (2 weeks)

Chef's Camp

Chef's Camp begins with daily cooking skills - chopping, grating, mixing and measuring, including fractions!

Young chefs will prepare and serve their own lunch daily. Children will learn where food originates from, how it gets from the field to the plate, and visit the produce market.

Children become food critics, as they visit and sample at local cafes, and meet with a chef.

July 19th - July 30th (2 weeks)

Sing, Act, Dance

"Music is a magical gift we must nourish and cultivate in our children!"

Michael Greene, Recording Academy
President/CEO at 42nd Grammy Awards, 2000.

This is *the* arts camp that will go beyond the traditional idea of a summer camp. A non-competitive and nurturing program created to be immersed in drama, acting, art, photography, dance and music.

Children will attend a production and camp will culminate in a production.

August 16th - August 27th (2 weeks)

Explora-Bora Blastoff!

Explora-Bora Blastoff! is an intergalactic-themed experience in which students will experiment with scientific principles in biology, chemistry, physics, and anatomy.

- Ecology
- Biomes
- Mechanical Physics
- Electromagnetism

Children will enjoy interactive lectures, exploration laboratories and a visit from the Oakland Zoomobile.

Todo el Mundo Immersion Camp

Through art, music, pantomime, dance, computer, stories and play, children will learn in Spanish about Spanish-speaking countries, and how to integrate information in their daily lives into a second language.

What is the difference between Spanish, Mexican, Colombian and Venezuelan foods?

Children will learn about, cook and taste the differences between foods of various Spanish-speaking countries.

Before the end of camp, older children will be matched up with a Spanish speaking pen pal.

In addition to Todo el Mundo, Photo Camp will provide children with tools to explore surroundings and objects through the lenses of a camera.

Lessons will include:

- Perspectives (angles, movement)
- How to hold a camera
- Finding a point of interest
- Reviewing pictures
